ELITE COACHES:

PEDRO MUNITIS

A football legend to guide and drive your growth

Former Real Madrid, Racing Santander, Deportivo de la Coruña and Spanish national team player, now a professional coach. Munitis is Champions League and LaLiga Champion with Real Madrid.

One of the most successful and long-lived professional careers in Spanish football, whose keys he now shares in training football to help future generations of footballers to develop in an integral way, as sportsmen, but, above all, as people in all areas: work ethic, values, resilience, companionship.

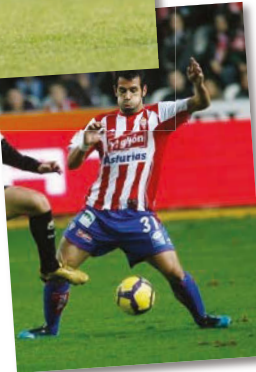

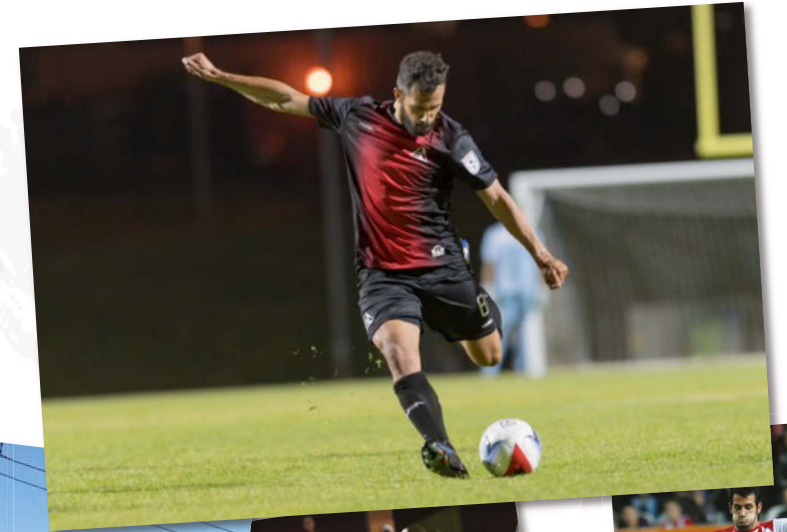

ELITE COACHES:

CRISTIAN PORTILLA

International experience and career at your service

International player with extensive experience in European and American professional leagues. Portilla puts his experience at the service of young people who dream of living in a world full of opportunities where football can be a lever for their international university studies or the acquisition of human and professional experiences that they can take with them into their adult life.

METHOD MUNITIS LAB METHODOLOGY

LEARNING, GROWING AND HAVING FUN

The MUNITIS LAB methodology focuses on the integral development of the student, combining sports, cultural and linguistic skills.

Through personalised training and cultural activities, we foster personal growth and confidence. Our students not only learn football, but are also immersed in an enriching experience that prepares them for the future.

- **Personalised approach:** We tailor each training to the needs and objectives of each participant, enhancing their individual growth.
- **Integral learning:** Not only will you learn on the field, but you will also develop personal skills that will prepare you for future challenges.
- **Training in values:** We promote an environment where effort, perseverance and collaboration are as important as sporting performance.

TRAIN WITH THE BEST AND REACH YOUR FULL POTENTIAL!

We believe that football is much more than a sport, it is a tool for the integral development of each player. That is why we have opted for:

- **Training sessions designed to improve technical and tactical skills.**
- **In-house and friendly matches with local teams.**
- **Advanced techniques from football legends.**
- **Possibility of being evaluated by international scouts.**

EXPLORE ONE OF THE WORLD'S MOST FASCINATING CITIES

Discover one of America's most iconic cities as you immerse yourself in its culture, education and unique lifestyle.

- **Explore iconic landmarks such as Millennium Park, the Art Institute of Chicago and the Skydeck. Experience sporting events, concerts and the diversity of this multicultural city.**
- **Learn about the American education system with visits to universities, such as Benedictine, and activities that familiarise you with study opportunities in the USA.**
- **Participate in activities designed to integrate learning into everyday life, developing skills that prepare you for an international environment.**

ENGLISH AND SPANISH

**IMPROVE YOUR LEVEL WHILE YOU HAVE FUN
IN AN INTERNATIONAL ENVIRONMENT**
